winner

A smooth inclination

Smooth curves and an excellent grip is what characterizes our INC collection by Piet Boon. Starting out as a circular cylinder volume, the INC took shape after flattening the circle and tapering the end. This provides the handle with a smooth inclination, to which the INC is named.

Een zacht hellende vorm

Onze INC collectie by Piet Boon kenmerkt zich door haar zachte lijnen en perfecte ergonomie. De INC is tot stand gekomen door het afvlakken van een cirkel, waardoor deze spits toeloopt naar het uiteinde. Hierdoor is er een zacht hellende vorm ontstaan. Dit wordt ook wel 'inclination' genoemd, waarvan de naam 'INC' een afgeleide is.

Another world opens

Brut172, located in a historic farmhouse near Maastricht, is Michelin-starred chef Hans van Wolde's luxurious restaurant. Interior designer Niels Maier combined the building's characteristic elements with 'rustic' and raw materials such as wood and steel. The modern yet soft lines of the INC door handle represent an eye-catching contrast to the raw materials of the interior. The PVD satin black finish clearly stands out from the predominantly soft colour palette which creates stark but appealing juxtaposition.

Het luxueuze restaurant van Michelin-sterrenchef Hans van Wolde, Brut172, is gevestigd in een historische boerderij nabij Maastricht. Interieurontwerper Niels Maier combineerde de karakteristieke elementen van het pand met 'brute' en zuivere materialen als hout en staal. De moderne maar zachte lijnen van deurkruk INC vormen een mooie tegenhanger voor het rauwe interieur. Bovendien valt de PVD satin black finish extra op in het overwegend zachte kleurenpalet. Een spannend contrast.
