Understated luxury

BY FORMANI

“The importance of authenticity was the leading idea in these following three collections, which are based on traditional models that have stood the test of time.”

Maastricht, the Netherlands

Pim Aarts, Owner and Managing Director

Design philosophy: “We must do more than create products that are functional and understandable. We need to develop products that also bring excitement, pleasure and fun, and - perhaps most importantly - beauty to people’s lives. FORMANI simply wants to make life a bit more beautiful.”

Understated luxury

Our FERROVIA collection is an ode to the railways of the early twentieth century. Having often been used in first-class train carriages, this particular style of door handle is held up as a piece of understated luxury thanks to its elegant shapes, curves, and clean lines. The design is characterized by its spherical shape that connects the lever to its neck. The 'T-handle' was especially popular in train carriage design at the time, and is still a common design feature in many interiors and exteriors.

Ingetogen luxe

De FERROVIA collectie verwijst naar begin 20^e eeuw, toen dit model deurkruk veel werd toegepast in eersteklas treinwagons in diverse West-Europese landen. Dankzij de elegante vormen, rondingen en strakke lijnen wordt deze bijzondere stijl als een stukje ingetogen luxe gezien. Het ontwerp kenmerkt zich door het bolvormige middelpunt, die de greep met de hals verbindt. Het verticale T-krukje was destijds erg in trek en is tot op de dag van vandaag nog steeds een veelvoorkomend detail in het ontwerp van vele interieurs en exterieurs.
